Letter No 6738 dated --8-11
from the Secretary to Government Public
Works Depart to the Inspector-General of
Education in Mysore Bangalore

Sir,

Adverting to your letter No 4147/[illegible]
dated the -0th October 1909 to the Gener[illegible]
and Revenue Secretary received unofficial[illegible]
ly in this office, I have the honour to
forward herewith for your approval and [illegible]
countersignature plan and alternative est[illegible]
-mates for the proposed additions to the
Kolar High School

Two wings are proposed to be added
in rear of the existing building Ad-
ditions in front would spoil the archi-
tectural appearance of the structure

Estimate No I amounting to R[illegible]10 78[illegible]
provides for a roofing of steel girders
wooden joists and ordinary terrace whil[illegible]
estimate No II amounting to R 11,068 i[illegible]
for a jack arched roof resting on steel
joists

The cost can be lessened by
R 2,274 in each case if the verandahs
to the wings could be omitted but as

tles

these afford protection to the class rooms and convenient access from the main building, the omission is not deemed desirable

On receipt of your approval to one, ~~the~~ or the other of the two estimates, the projects will be submitted to Government for disposal

Letter No 8184/191 dated the 18th April 1912 from the Inspector General of Education in Mysore to the Secretary to Government, Public Works Department

---

With reference to our letter No 6938 dated the 2nd August 1911 on the subject of extending the building of the Gover ment High School at Kolar I have the honour to inform you that in the course of correspondence that was carried on in order to settle a design suited for the present day requirements of the High School it has been decided to have 8 rooms in the new building The Executive Engineer, Kolar Division, has sent to this office 3 plans costing Rs 18,323, Rs 16,000 and Rs 14,166 The plan costing the lowest of the amounts will not do for the High School Then the choice is between the other two alternative plans Of these two, the one estimated to cost Rs 18,323 is preferable and has been countersigned in token of approval

2 In this connection I have the honour to state that the estimate for Rs 18,323 works out at about Rs 3-15-0 per square foot of plinth area This rate appears to be excessive I shall be glad if you will be so good as to order the estimated cost ~~of~~ to be reduced as far as possible without altering the approved design

3 The plan approved is subject to the following remarks -

(1) Windows should be so placed as to provide on one side only and from the left of the pupils with outlets for air high up on the opposite side

(2) Windows should be not less than 3½ feet from the floor and should go up to as near the ceiling as possible

4 The plans together with the corresponding estimates forwarded by the Executive Engineer are enclosed herewith

5 I request you to be good enough to order the work to be put in hand at as early a date as possible

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE

No 4147/286 with 4 enclosures, Bangalore 20th October 1909

From

H J BHABHA ESQ MA

Inspector General of Education in Mysore

To H S Chandrasekhara Iyer Esq B A, B L

Secretary to the Government of H H the Maharaja of Mysore,

General and Revenue Departments.

SIR

I have the honour to inform you that the accommodation available in the present building of the Government High School, Kolar is not sufficient. It is necessary to extend the building in order to provide for increased accommodation. The extension as estimated to cost Rs 8320/- according to the enclosed plan and estimate prepared by the Executive Engineer, Kolar Division. The plan provides for additional rooms which are required for sloyd, cardboard work, drawing, and religious and moral instruction, and also for holding the three lower classes of the Anglo-Vernacular School which are now located in a rented building. If a separate building were erected for sloyd the cost would be not less than Rs 4666 for it according to a sketch which is sent herewith for reference. The Executive Engineer's report of the estimate is also forwarded herewith. Under

these circumstances I request that Government may be pleased to sanction the extension of the Kolar High School according to the enclosed plan, the cost being met from the funds of the Public Works Department.

I have the honour to be,
Sir,
your most obedient servant,

for Inspector General.

READ—

Letter No 4147/286 d/the 20th October 1909 from the Dist Engr Coorg in forwarding plans & estimate for the proposed extension of the Kodagu High School building at a cost of Rs 8320.

Date of issue 14-11-12

Signed by— HMBB

ORDER THEREON—No.

~~The accommodation available in the present building of the Kodagu High School is not sufficient and the plans and estimates~~ proposals for the extension of the building at a cost of ~~Rs~~ Rs 8320. ~~are to be made~~

over

SUBJECT

Order thereon

No 3458-60
For 137-09 14 11 12

The Chief Engineer who was consulted in the matter, has submitted a fresh design and estimate for the extension of the Kolar High School buildings at an estimated cost of Rs 18795. The Dept of Edn has also approved of the design ~~The estimated cost of the extension is Rs 18,795~~

2 The Chief Engineer ~~has~~ states that no provision could be made for the work in the Current year's P-W Budget and that it may be taken up when funds become available. Govt however consider that the Requirements of the Kolar High School are pressing and urgent. They are therefore pleased to direct that the ~~work of~~ extension of the building according to the Revised plan at ~~present~~ noted

GRS 27]
